

CONTRACT PACKAGING WITH ASTON MANOR FAQs

If you require a contract packaging solution for small pack PET we would love to hear from you. Here are some common considerations to review before contacting us:

What types of packing do you offer contract pack customers?

We currently offer 330ml and 500ml PET bottle.

What is your minimum packaging run?

Minimum runs start from approx. 25,000 litres, but we would give an additional discount if the production run is over 50,000 litres.

What colour bottles are available?

We can offer clear flint, amber and green bottles.

What types of closures are available?

We do a standard crown cork, roll on cap and a plastic roll on cap.

What kind of labelling is available?

Our production line runs with wet glue labels. However, we can also fill pre labelled bottles with PSL if required.

What type of pasteurisation do we use?

We use Flash Pasteurisation.

Can you package non-alcoholic products?

At present, we cannot pack non-alcoholic products.
